

FREQUENTLY ASKED QUESTIONS

➤ ***Do my cats need to be vaccinated to stay in the cattery?***

YES. All guests must have a current vaccination certificate to be valid for the period of stay and not more recent than seven days prior to coming into the cattery. Vaccination certificates need to be produced that show protection against feline enteritis, rhinotracheitis and calicivirus within the previous twelve months. Please also ensure that your animal/s have been wormed and treated for fleas. This helps us to maintain a healthy environment for your pet/s.

➤ ***What do I need to bring?***

Please bring along your pet/s vaccination certificate. Prescription Diets and Medications. You are also welcome to bring bedding, blankets and any special comforts to ensure a happy stay.

➤ ***Can I visit my cat/s while they are in the cattery?***

YES. We are open 7 days a week and welcome visits any time throughout our opening hours. You can arrange special times outside our hours just with a phone call to Anna.

➤ ***Can I bring my cats own food?***

YES. You are welcome to bring your cat/s own food or prescription food but the daily rate will still be the same.

➤ ***What can I do if my cat really doesn't like the carry cage we bring him in?***

Try a little lavender oil on the towel inside. Secure the case firmly and cover it with a blanket for the journey from home.
